## FINALISED OFSTED REPORT

This week we received our finalised OFSTED report related to the inspection that was carried out in November 2019. We are very pleased with the report and believe it is an accurate reflection of the excellent academic and personal development achievements of the pupils who attend St Mary's Primary School.

A paper copy was sent home with all children this week. Please check their book bags for this. I have also attached

a link to the school website where an electronic version can be accessed.
