DROP OFF AND COLLECTION PROCEDURES

Please ensure the **1 way system** is followed at all times for dropping off and collecting pupils.

Please could we politely request only **1 parent enters** the school premises with their children. This is to minimise the number of people accessing the school premises.

Please can you also ensure you keep a distance of 2m from other families when dropping off and collecting your child. Thank you for your assistance with these social distancing measures.

PUPILS AND FAMILY MEMBERS DISPLAYING COVID SYMPTOMS

Just a reminder that as a nation we are still expected to follow the self-isolation rules for Covid symptoms:

- **High temperature/fever**
- **Loss of taste or smell**
- **Persistent cough**

If your child or a household family member develops any of these symptoms you must self-isolate, not allow your child to attend school and book a Covid test via the online booking site.

Unfortunately due to the on-going restrictions and government guidance we are unable to hold a whole school sports day this year.

As an alternative to this I am pleased to announce the children will participate in class based sports days over the next couple of weeks. This is to ensure they get this experience as part of St Mary's Primary School curriculum offer.

NATIONAL TUTORING PROGRAMME

I am pleased to announce St Mary's Primary School have been officially recognised for our commitment to the National Tutoring Programme, which is a key element of the Government's Education Recovery Strategy.
