Children's Christmas Fair Week 2021

Monday 26th November - Friday 2nd December

The Christmas Fair will take place each morning in the school hall - unfortunately given the circumstance this year it will be just for the children to attend in their class groups during the school day.

There will be some games designed by the KS2 Children which all children will be able to take part in, there will also be some other stalls if the children would like to bring some money in to visit - each class will get a chance to go to the Fair every day during the week.
