Christmas year group performances

Due to the high rates of Co-vid infections nationally we have adapted the structure of the annual Christmas nativity and performances.

This year each class will produce and create a class Christmas performance. This will replace the whole school production we usually perform.

Following this structure it will be mean we will have the opportunity to invite parents from their child's year group to come and watch the performance in school. Please refer to the timetable below which shows the day each class will be performing.

Please be aware of the change in times for Yr3 and Yr5. Apologies for any inconvenience this may cause.
