## Children's Mental Health Week

The week commencing the 7<sup>th</sup> February to the 11<sup>th</sup> February we will also be participating in Children's Mental Health Week.

The theme this year is:

### **'Growing Together'**

We will be encouraging children (and adults) to consider how they have grown, and how they can help others grow.

During this week we will also be launching our newly formed 'Pupil Well-being' team.

**On Friday 11<sup>th</sup> February we will also be holding a non-uniform day around the theme of 'Dress to Express'**

## Car parking outside school

Please can I remind all parents and carers to ensure they park considerately outside of school when dropping off and collecting their children.

Thank you for your assistance and co-operation.

## Covid 19 guidance

At the current time Covid 19 is highly prevalent both nationally and within the local community. This week school emailed a letter that provides some detailed advice and guidance, please could you ensure you familiarise yourself with this.

Please could we also ask your support in testing your child via LFD's on a regular basis. **If your child tests positive, please do not send them into school and they must self-isolate.**

From Monday 17<sup>th</sup> January all positive cases must self-isolate for a minimum of 5 days from the date of the positive test and can only end their isolation if they have 2 negative LFD tests; which are taken 24 hours apart on day 5 and day 6. If this occurs then isolation can end from on day 6.

I have included a diagram below to assist you with the current isolation rules.

## How five-day isolation rule works in England

Source: NHS

If your child tests positive please inform the school office on 01706 216407, so that we can provide you with the most up to date advice, and also ensure remote learning is organised on Google Classroom for your child.

Thank you for your support related to this.
