'I came to give life. Life in all its fulness'

John 10:10

Dear parents/carers

Re: Asthma Care Plan

Thank you for informing us of your child's asthma on their registration form. As part of accepted good practice and with advice from the Department for Education and Asthma UK, St Mary's CE Primary School has an established Asthma policy for use by all staff.

As part of the policy, we are asking all parents and carers of children with asthma to help us by completing a school asthma care plan for their child. Please take this form to your child's doctor or asthma nurse to fill in and return to school at your earliest convenience.

The completed plan will store helpful details about your child's current medicines, triggers, individual symptoms and emergency contact numbers. The asthma care plan will help staff to better understand your child's individual condition.

Please make sure the plan is regularly checked and updated by your child's doctor or asthma nurse and the school is kept informed about changes to your child's medicines, including how much they take and when.

We look forward to receiving your child's completed Asthma Care Plan.

Yours sincerely

Mr N Gurman

Headteacher
