Due to the high importance we place on daily attendance at school it is unlikely holidays and visits booked during term will be unauthorised and could potentially lead to a fixed penalty notice being issued. Thank you for your continued support on this matter.

Heatwave guidance and advice

As you are aware there is potentially going to a heatwave in the UK on Monday and Tuesday next week.

Following the national guidance please can you ensure your child brings the following items to school:

- Sun hat or cap
- Sun cream
- Water bottle which will be able to be refilled as appropriate

Please be aware we may need to adapt and adjust some school activities to ensure the children are not exposed to excessive heat during the day.
