Key Topic Skills Covered	<p>The children will be able to talk about Africa and the different features of many places in Africa. We will discuss the differences between environments.</p>	<p>Our significant person is Wangari Maathai. We will be discussing the key events related to Wangari. Our focus is to talk to others about what they know about a key person and event from the past.</p>	<p>We will continue to consider the lives of people in other countries within the world. We will use the language of time when talking about past/present events in the lives of others including people or characters they have learnt about through books.</p>	<p>We will be focussing on the seasonal change of spring to summer. The children will notice and talk about seasonal changes over time. We will also consider the seaside, where children ask questions about places which are familiar or they have learnt about.</p>	<p>The children will be comparing, sorting, grouping, identifying and classifying. We will notice similarities and differences in the natural world, including plants and animals. We will talk about the differences between environments.</p>	<p>The children will use technology and IT equipment to make observations and find information about different locations/ places. They will adapt familiar narratives and stories to create their own versions of familiar stories.</p>	<p>Our last core text is all about recalling the past events in Reception class and thinking about their future in year 1. We will use the language of time when talking about past/present events in their own lives and in the lives of others.</p>
